07 — ACTION PLAN

Recommended Actions for March

CRITICAL

Counter Wild One's harness price drop

Wild One dropped their harness 12% and is running comparison ads. Consider a limited-time bundle (collar + harness) at $89 to undercut their standalone pricing while protecting margin.

Deadline: Next 2 weeks

HIGH

Own the sustainability narrative before Fable scales

Fable is building SEO authority around eco-friendly gear. Publish 2–3 blog posts targeting 'sustainable dog collar' and 'eco pet accessories' before they reach page 1. Highlight your materials sourcing.

Deadline: Next 3 weeks

HIGH

Monitor Zee.Dog Neon Series launch

The hidden Neon Series suggests an imminent paid launch. Watch for ad spend increase over the next 7–10 days. If they launch with influencer push, consider a colorway announcement to compete.

Deadline: Ongoing — check weekly

MEDIUM

Target Wild One comparison-ad audience

Wild One is running ads that reference premium brands — their audience is already in a comparison mindset. Create 2–3 ads positioning PawLux quality vs. Wild One's value positioning.

Deadline: Next 4 weeks
